Great place for both Short Stay or Longer Ones. The Premises is very safe and also the Caretaker is always at your service. The place is pretty clean with all possibilities amenities. Inshort, you can literally make this home. Best part everything is easily accessible, be it food provisions and daily items. You can find them in just max 50 steps. The Host is super helpful, you ask and he tries to help you out in all possible way. I would definitely ... [More](#)
